PROGRAMS AT THE SCHOOL

BMSS is providing various study resources for our students. Please utilize these resources in cooperation with your student's teacher.

All online resources below works with the same log in information that is used for BMSSconnect. Your BMSSconnect username and password has been sent home on the letter version of this page. If you still have trouble finding your login information please call the school for help.

BMSSconnect is an online student management system. BMSS uses this site in order for parents to be able to track their students' assignments, grades, behavioral logs and resources.

AR is a computer program that helps teachers and librarians manage and monitor children's independent reading practice. Your child picks a book at his reading level and reads it at his own pace. When finished, your child takes a short quiz on the computer. (Passing the quiz is an indication that your child understood what was read). AR gives children and teachers feedback based on the quiz results, which the teacher then uses to help your child set goals and direct ongoing reading practice.

Study Island combines rigorous content that is highly customized to specific state standards in math, reading, writing, science, and social studies with interactive features and games that engage students and reinforce and reward learning achievement.

Khan Academy offers practice exercises, instructional videos, and a personalized learning dashboard that empower learners to study at their own pace in and outside of the classroom.
Please contact your childs teacher if you had problem using Khan Academy.
