

2018-2019

BMSS Clubs for Grades 4-5-6-7-8

Arts and Crafts Club

Art Club is for students who are interested in the arts; they do not need to be an artist or enrolled in an art class.

In the art club, Students are introduced to various forms of art, including pottery, watercolor painting, and print making also we do community art projects, such as face painting, murals, making items for fund raisers, teaching younger children art in the elementary schools, participating in school-wide projects, art contest, etc.

Club Day: Monday

Club Sponsor: Ms. Schlossberg

Room: 112

Origami club

Starting with a single sheet of square colored paper, you can learn to fold all kinds of animals, birds, flowers, boxes, and toys. Origami is a popular pastime, because all it takes is a piece of paper. Everyone knows how to fold a few shapes, like the crane, which is a symbol of peace and long life.

Club Day: Tuesday

Club Sponsor: Ms. Ward

Room: 146

Chess Club

The game of chess is an excellent way to improve abstract and critical thinking skills, while, at the same time, having fun.

Mathematical patterns and strategies are reinforced throughout the games. The basic pieces, rules, and moves will be taught and practiced. Friendly competitions will be held among club members and possibly with other schools.

Club Day: Tuesday

Club Sponsor: Mr. Yozgat

Room: 129

<p>Geo Bee</p> 	<p>Geo Bee is intended for students who are passionate about Geography. Students work together to develop their knowledge of regional and world geography. This work culminates in a competition against students from other schools.</p> <p>Club Day: Thursday Club Sponsor: Mrs. Rogoff Room: 124</p>
<p>Table Top Club</p> 	<p>In this club we will be exploring the wonderful world of table top games. This year we will be focusing on two table top games. DC and Marvel HeroClix and Dungeons and Dragons. Through this club the students will create their own characters and use their imagination and quick thinking to explore new worlds and adventure throughout time. They will be using creativity to create their own puzzles and dialogue and so much more. We will be having periodic tournaments for prizes throughout the year.</p> <p>Club Day: Thursday Club Sponsor: Mr. Yozgat Room: 129</p>
<p>Science Explorers Club</p> 	<p>Students will be learning and practicing cool science demonstrations and experiments. They are being master about demos or experiments by practicing and searching.
