## BMSS Mission Statement

To provide students with a well-rounded elementary, middle, and high school education in the light of proven and innovative instructional methods in a stimulating environment.

The logo for 'Hello Sixth Grade' features the word 'hello' in a blue, lowercase, sans-serif font. To its right, the word 'Sixth' is written in a large, colorful, playful font where each letter is a different color (S: red, I: blue, X: green, T: yellow, H: orange). Below 'Sixth', the word 'GRADE' is written in a large, orange, all-caps, sans-serif font.

We are expanding our grade level for 2015-2016.  
We are currently enrolling 6<sup>th</sup> grade students.

## Museum of Discovery & Science

Kindergarten to 5<sup>th</sup> grade are going to the Museum of Discovery & Science on Friday, May 15. We are very excited and encourage every student to go to this field trip as it will be a hands-on experience that we don't want anyone to miss.

**The deadline to pay is May 1. No exceptions.**

## Cash for the School

BMSS GETS CASH for every Box Top collected to help buy the things our students need most.  
All those Box Tops really add up!  
How many can you clip?
