School Hours

Please be reminded that school begins promptly at 8:00 a.m. and ends at 2:50 p.m. Students who are tardy or leave early miss out on important instruction and routines for the day.

Also, we ask that students come prepared for school upon arrival. Calling down to the classroom for late lunch boxes and additional items causes a disruption to learning.

Unified Dress Code

Please remember that **Broward Math and Science Schools** participates in a school-wide mandatory unified dress program uniform policy. Students are expected to wear unified dress colors to school every day. Please continue to work with us to ensure that students are dressed in our school uniform.

Additional information on our mandatory uniform policy can be found in our website www.bmsschools.org. You may also contact the school if you need more information and/or assistance complying with the uniform policy.

Drop-Off and Pick-Up Procedures

Your child's safety is our primary concern. Please help us by adhering to the following procedures:

Car Rider Drop-Off Students: can be dropped off at the front of the school car beginning at 7:30 a.m. each school day. Students are to exit the car on the passenger side and parents must remain in their cars. Staff members will be on duty to ensure the line moves quickly and that your child safely enters the building.

Car Rider Pick-Up Students: Parents remain in the car. Please do not park your car and walk to get your child. Please place name tag on your dashboard before driving onto the school's grounds.
