

February Newsletter

BMSS works with the community to support students and families not to just educate your child in different subjects but to educate your child as a whole. In order to accomplish this mission, our school needs to be known in the community. We believe that word-of-mouth referral is more important than any advertising we might do. That is the reason that we ask our parents to refer our school to your neighbors, friends, colleagues, and family members. This will help us provide students better opportunities to succeed.

After School Tutoring

Academic success is the number one priority at Broward Math and Science Schools. Tutoring started on the week of January 20th. Tutoring is between 3:15pm-4:00pm. BMSS sent e-mails and letters home with the students that are participating in our After School Tutoring. Attendance is **mandatory** and will be taken at each tutoring session. If you have any questions concerning the tutoring sessions, please contact Mr. Kaya at mkaya@bmsschools.org

Suggestions Box

BMSS is open for suggestions and comments you may have regarding our School. You can drop any comments in the Mail Box at the front desk.

Wow Factory Field Trip

BMSS Students will experience a one-of-a-kind entertainment center that allows them to implement science concepts while having Fun! The cost is \$15 per student.

If you have any questions, please contact Mrs. Claudia at cbarbarino@bmsschools.org

Black History Month

Black History Month is an annual celebration of achievements by black Americans and a time for recognizing the central role of African Americans in U.S. history.

Parent-Teacher Conferences

We believe that education is a shared responsibility and that a successful student depends on the cooperation of everyone concerned: students, parents, and staff. We will be issuing the Progress Reports on February 10. We will be having Parent-Teacher conferences on February 11 from 4:00 pm until 6:00 pm to go over the reports.

BMSS Car Magnets

We have Car Magnets for sale. Please pick one up at the front office for \$3.00 and all the funds will go towards purchasing more AR books for the Library.

School Uniform

Dear Parents, please help us in making sure that your student is dress properly every day in our school uniform. This will prevent a second trip to school to bring the correct uniform.

Save the Dates
